Your Story, My Story, God's Story

Matthew West sings a song called, "My Story, God's Glory" where he tells about how his relationship with God changed him. He starts out singing how he had made mistakes and how his life was messed up. Then Jesus showed him His grace and now his story has changed. These are the words to the chorus: "My story, Your glory. My pain, Your purpose. My mess, Your message. In all things I know You're workin'. One life, one mission. One reason why I'm livin'. All for You, not for me. My story, Your glory!!" We probably all have stories like that to share about how we came to salvation in Jesus and our lives have never been the same, Sharing these stories with each other and how He showered us with His grace and mercy and changed us, encourages both the one sharing the story and the one to whom the story is told. This summer, we are excited to have several people who are going to share their story of Jesus in their lives!!

In June, we will have Beth K. from Bethel who has quite the story about how Jesus has been her salvation, her rescuer and her help. Beth is the administrative pastor at Bethel Assembly of God. She has three children and is single at this time.

In July, we will be hearing the story of Brian and Andrea's life and how Jesus made a difference in who they are and what they do. Brian and Andrea raised their kids on a ranch and have become land developers and interested in politics. They live near Hermosa with some of their children and grandchildren. Their story is one of God making things happen!!

In August, Jennifer will be sharing her life story and how Jesus was with her through her struggles and how He helped her grow in Him. Jennifer runs a very successful bookkeeping service, teaches a teen Sunday School class and sings on the worship team at Freedom Church, Rapid City. She is working towards her Local Minister's License.

These stories will be one of a kind and will help you grow in your walk with Jesus. There may, also, be an opportunity for you to share your story with us. Everyone has a story and everyone is redeemable!! Praise the Lord!!
